

CITY OF MARTINSBURG, WV

SINGLE STREAM RECYCLING

The City of Martinsburg, in partnership with Apple Valley Waste, participates in and collects single stream recycling. The City of Martinsburg collects your recyclables every Wednesday and takes them to Apple Valley Waste for sorting. Single stream recycling is the most convenient way to recycle with ease. All you do is put any and all allowable material into one bin and we do the rest. No curbside sorting is necessary.

You can still bring you recycling to the City's Recycling Center at 325 E Stephen St. on Saturday's from 8:30am - 2:30pm.

How should recyclables be prepared?

Recyclables should be rinsed clean of any food waste. Corrugated cardboard boxes should be broken down into smaller pieces. Lids and caps can remain on empty bottles. There is no need to tie newspaper or cardboard with twine.

Can recyclables be put in clear plastic bags?

No. Plastic bags are not accepted in the Apple Valley Recycling program. Many grocery and retail stores offer plastic bag recycling.

When is Recycling collection?

Every Wednesday (excluding published holidays).
